KNIVES

HUNTER SERIES

Blades of the Untamed

Crafted with precision, each handle is shaped to fit the hand as if forged by nature itself. Select blades feature the timeless beauty and strength of Damascus steel, their patterns a testament to skilled artistry. Built to endure, these knives will never falter when the wilderness tests your resolve.

Specify the type of handle and blade steel you want, and we will customize it for you.

Actual Size

PUSAT TALON

Hunter Series: AVX4

Precision Forged. Wilderness Ready.

Handle (stabilized tree)

Weight	214 gr
Total Length	29 cm
Width	4,5 cm
Blade Length	16,2 cm
Handle Length	12,8 cm

Engineered for precision and presence, this fixed blade features a sculpted edge and a stabilized wood handle—each piece uniquely patterned by nature. Forged for those who walk beyond the trail. Each blade carries a story—etched in steel and rooted in nature. The PUSAT TALON isn't just built for survival. It's built to dominate.

Other side of the handle

PUSAT **KAV**
Hunter Series: AVX5

**Cut the silence.
Command the wild.**

Handle (pakka wood)

Weight	223 gr
Total Length	26 cm
Width	4 cm
Blade Length	13,7 cm
Handle Length	12,3 cm

Born of shadow and purpose, the PUSAT KAV is a blade shaped by resilience. Its full tang construction and curved silhouette offer uncompromising control, while the polished pakka wood handle grounds it in raw, refined strength. Crafted not for decoration—but for dominion—KAV thrives where light fades and instinct leads. It doesn't just survive the elements. It commands them.

Actual Size

Forged for the frontier.

PUSAT **BARQ**
Hunter Series: AVX6

BARQ stands where others falter.

Handle (walnut)

Weight	179 gr
Total Length	23,5 cm
Width	4,5 cm
Blade Length	11,5 cm
Handle Length	12 cm

Built for those who hold the line, BARQ is more than a blade—it's a vow of vigilance. Its carved hardwood handle offers steadfast grip in chaos, while the uniquely gapped spine lets you adapt on the fly. From desert trails to forest shadows, this knife doesn't retreat.

It waits, it watches, and when needed—it strikes.

Actual Size

PUSAT YEKTA

Hunter Series: AVX7

Elegantly aggressive.
Undeniably unique.

Handle (stabilized tree)

Weight	220 gr
Total Length	25 cm
Width	4,2 cm
Blade Length	12,1 cm
Handle Length	12,9 cm

The handle, carved from stabilized wood with deep violet and ember hues, tells a story of natural rebellion. The Damascus steel blade bears a distinctive flow, sharpened to command, and shaped to move like instinct.

Not mass-made. Not duplicated.
Yekta is the one. The only.

alternative handle

Actual Size

PUSAT ZÜMRAH

Hunter Series: AVX12

Born of root and resin.

Handle (olive wood and epoxy)

Weight	216gr
Total Length	24,5 cm
Width	3,7 cm
Blade Length	13,2 cm
Handle Length	11,3 cm

ZÜMRAH is a blade shaped by wilderness—where polished steel meets the pulse of wood and resin. Its contoured walnut grip fits like instinct in your hand, while the forest-green resin glimmers like moss under rain.

This isn't a knife for show. It's a companion for those who walk the unbeaten path, guided not by maps—but by memory.

Actual Size

PUSAT BERZAH

Hunter Series: AVX13

Between two realms, One edge remains.

Handle (olive wood and epoxy)

Weight	200 gr
Total Length	23,5 cm
Width	4,5 cm
Blade Length	11,5 cm
Handle Length	12 cm

BERZAH is the blade between worlds—where resin flows like frozen tides and aged wood holds the memory of earth. Balanced and enigmatic, its spine carries the stillness of deep waters and the sharp truth of survival.

This knife doesn't belong to the living or the lost. It belongs to the edge.

Actual Size

PUSAT VLADD

Hunter Series: AVX9

Thirsty for the Hunt.

Weight	140 gr
Total Length	19 cm
Width	3 cm
Blade Length	9,5 cm
Handle Length	9,5 cm

With its sinister damascus patterns and deep green grip, Vlad is a blade born of legend. Balanced for precision and built for dominance, it carries the quiet menace of a predator stalking its prey. In the wild, there is no mercy—only the strike.

PUSAT ARZ

Hunter Series: AVX8

Nature's Power in Your Hand.

Handle (walnut)

Weight	160 gr
Total Length	24,7 cm
Width	3 cm
Blade Length	12,6 cm
Handle Length	12,1 cm

With clean lines and a solid build, Arz brings the strength of nature to your grip. Crafted with precision steel and a natural wood handle, it delivers balance, reliability, and confidence with every cut.

RGX10

Pure
form.

Handle (walnut)

Actual Size

Weight	125 gr
Total Length	20 cm
Width	2,9 cm
Blade Length	8,5 cm
Handle Length	11,5 cm

Kut is crafted with quiet precision. Its clean lines, walnut handle, and unshakable balance reflect a design rooted in clarity — a blade that honors simplicity, and earns respect through function.

PUSAT EBR

Rogue Series: RGX11

Weight	134 gr
Total Length	20,8 cm
Width	3,7 cm
Blade Length	8,9 cm
Handle Length	11,9 cm

Actual Size

Where Color Meets Steel

Handle (epoxy)

Each EBR is a one-of-a-kind masterpiece, crafted by hand. The flowing patterns on its handle capture the unpredictability of nature, while the stonewashed blade reflects the determination of steel. Lightweight, durable, and striking — EBR is more than a knife, it's a reflection of your character.

PUSAT MARUN

Rogue Series: RGX12

Nature Carved in Steel

Handle (walnut)

Actual Size

Weight	113 gr
Total Length	18,7 cm
Width	2,8 cm
Blade Length	7,7 cm
Handle Length	11 cm

With a bold silhouette and clean edge lines, Sarp is built for precision and control. Its streamlined wooden handle and notched spine offer a confident grip — for those who move with purpose.

PUSAT ARS

Rogue Series: RGX13

Actual Size

Small Frame, Bold Spirit

Handle (epoxy)

Weight	28 gr
Total Length	10 cm
Width	1,5 cm
Blade Length	4,3 cm
Handle Length	5,7 cm

Compact yet commanding, ARS is built for those who value agility without compromising strength. Its marbled handle blends deep blacks, crisp whites, and ocean blues — a striking balance of elegance and power. Lightweight, precise, and ready for action, ARS proves that greatness comes in small sizes.

PUSAT TABA
